ABC Pumpkin Patch & Match Game

These pumpkin-tastic cards are a creative and frightfully fun way for kids to build early reading, writing, AND matching skills.

Help Your Child with These Directions:

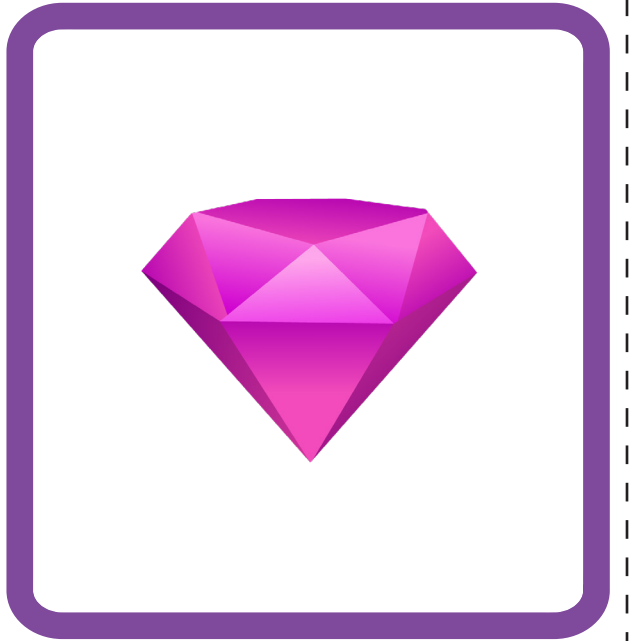

1. Trace the words.
2. Cut out cards.
3. Match the words with their corresponding image!

Level up for older kids: Play a version of memory cards! Place all cards face down. The first player picks up two cards. If they pick two cards that have the corresponding picture and word, they can collect them and take another turn. If they don't, it's the next person's turn. Keep playing until all the cards are gone!
